## What a Week !

So far .....

We had a visitor, Lance Armstrong, come and share with our youth. What a gift!

Our lady Saints played a spirited game of volleyball against Lopez.

OCS students grades 3-12 have been working hard this week on completing the ITBS testing.

A shout out to Mrs.Pottle for taking her time to prepare some tasty, healthy breakfasts for our testers.

In the afternoon on Wednesday, our elementary and Jr.High students went apple picking at an orchard. They will be pressing apple juice this week.

## Revelation 3:20

Here I am! I stand at the door and knock. If anyone hears my voice and opens the door, I will come in and eat with that person, and they with me.
